## **Life Hotel**

**126 rooms** which tell 4 global ecosystems  
with a **photographic exhibition**

## **Food Experience**

**Gourmet restaurant** with yard

**Bistrot** easy pop

**Rooftop** chic

## **Wellness Experience**

**SPA** with sauna, steam bath and whirlpool

**Swimming pool to** relax and train

**Fitness area** with Technogym facilities

## **Life Clinic**

**Day Surgery** operating room of class 7 and surgeries

**Opened in September 2021**

# Life Hotel

## Wild Life-theme rooms

The Life Source features 113 **rooms in modern and refined design**, divided into Standard, Superior and Deluxe, with further 5 **Suites** and 8 **Appartaments Elegance**.

Each room has an **unreleased photo of the nature** of our planet, shot by a passionate Wild Life photographer.

They are designed to offer **multifunctional spaces** suitable for contemporary life needs; all featured by a little study area with a desk and an armchair where to work and relax too.

The most precious ones offer also a **spectacular view of Città Alta**.

The offer and areas

# MICE

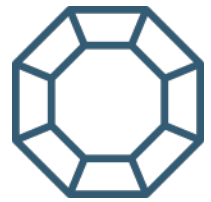

## The offer for Meeting, Incentive, Congress and Events

The Life Source Pole, thanks to both outdoor and indoor **innovative and modern spaces** and the customized services, is magnifically suited to host every kind of event. Life Source and its staff guarantee full assistance for the realization of events of great impact, with an expertise in specific segments:

### **Automotive**

Great presentation events of new cars, incentive and motivational days in which the organizing company will be able to offer road tests or panoramic routes in the areas surrounding Life Source.

### **Luxury Goods, Cosmetics**

Life Source modern design and its unique style make Life Source Pole the right location to present exclusive items, great value products to an attentive public that does not neglect the details and has a marked aesthetic sense.

### **Medical, Insurance, Private Banking, Consultant Companies**

Life Source offers different kind of conference areas with great seat-up flexibility and ensures constant attention to making the context as pleasant and welcoming as possible.

### **Wedding**

Life Source with its location overlooking Città Alta, its unique Rooftop overlooking the hills of Bergamo, its gourmet restaurant Le Terre and its functional spaces and design is the ideal location for organizing a romantic and refined wedding.

# Security, Surrounding and Position

A location in a unique context

# Areas built to be COVID SAFE

## **The innovative areas**

All areas and services have highly purified air thanks to the technologically advanced ventilation systems; they have been realized, taking into account the necessary rules aimed at guaranteeing the social distancing due to the Covid-19 situation.

## **Monitoring of the Receptive Pole access**

At the entrance there are automatic scanners that detect the body temperature. It is also available, extra charge, a COVID test and the medical on-call service

## **Service guaranteed regardless of the pandemic**

Regardless of the pandemic evolution, the receptive pole has the qualification to stay always open and to offer restaurant services, since it has internally the Life Hotel

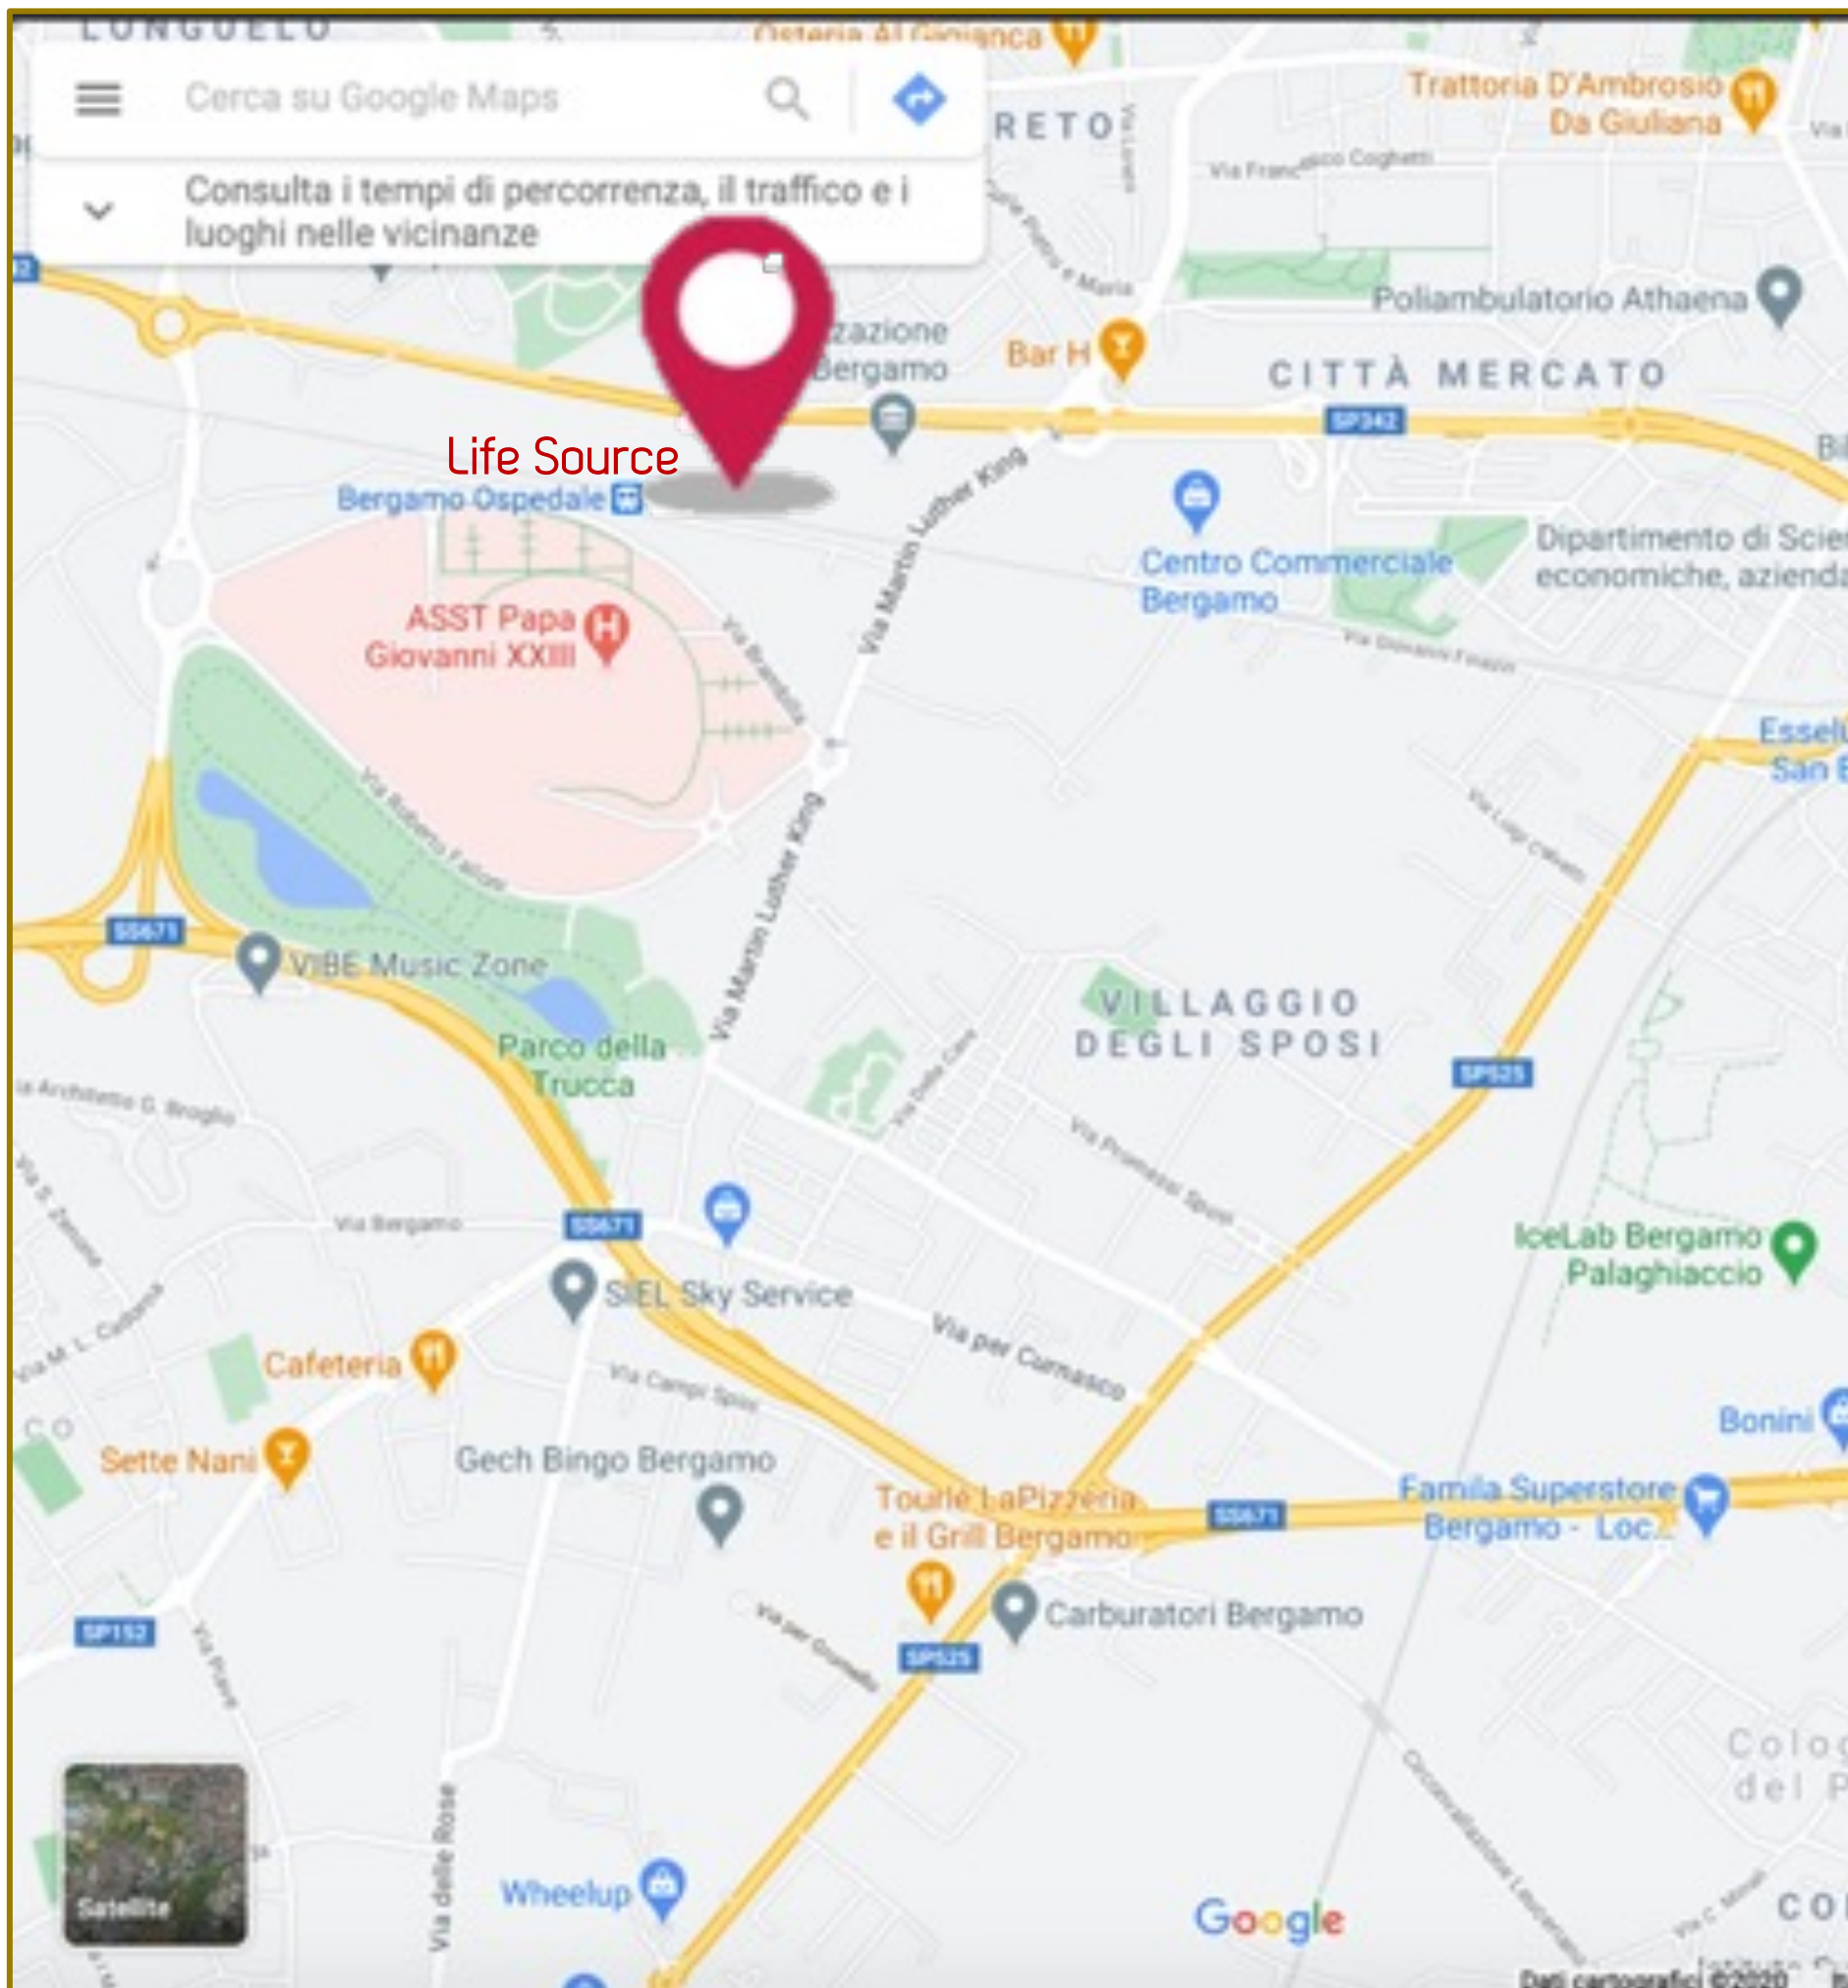

# The experiences on Bergamo hills

# Location of the receptive pole

- 📍 Train station in front of the building with trains directed to Bergamo and Milano
- 📍 500mt from the highway connected to the A4 motorway
- 📍 8km from Orio Al Serio Airport (9 min by car)
- 📍 Direct connection in soft mobility through Loreto and Villaggio degli Sposi neighbourhoods. Connected also to Colli and Trucca parks thanks to the cycle and pedestrian paths on the West-East line
- 📍 Within walking distance from the City Center (15 minutes)
- 📍 Close to Papa Giovanni XXIII hospital
